

PINE TREE MOBILE HOME PARK L.P.
PARK RULES AND REGULATIONS
REVISED JUNE 1, 2016

INTRODUCTION

The owner of Pine Tree Mobile Home Park, one of several enterprises under management by Pine Tree Mobile Home Parks, (referred to as the “Park” in these Rules) intends to maintain and operate this Park as an outstanding residential community. It is the purpose and intent of these Rules and Regulations to promote the character of the Park as a peaceful, attractive and enjoyable community for all residents, and to promote order, safety, and harmony in the Park, as well as setting forth the terms of the lot tenancy for each resident. The Park’s management (“Management”) strives to render prompt and efficient service and to provide all residents with an enjoyable lifestyle in quality surroundings.

Many of these Rules are common rules of etiquette designed to make the community more enjoyable for all residents, and to promote each resident’s consideration of neighbors in the Park. Management hopes that tenants will take pride in the appearance of the Park and of their homes and lots, and will maintain them accordingly. Being able to provide personal care and attention to each tenant’s lot is one of the many benefits of the unique lifestyle offered at the Park.

Each person (or persons) renting a lot in the Park is referred to as the “tenant” in this booklet. All of these Rules apply equally to tenants, their household members, including children, and to any guests, invitees or visitors. The tenant is responsible for any Rules violations by any of these individuals.

A. RIGHTS AND RESPONSIBILITIES.

1. Equal Housing Opportunity. The Park complies with the 1988 U.S. Fair Housing Amendments Act and the Maine Human Rights Act, 5 MRS §4551, *et seq.*, which make it illegal to discriminate against any person or persons because of race, color, religion, sex, sexual orientation, national origin, ancestry, familial status, or physical or mental disability, in regards to the sale, rental, security, maintenance, and/or management practices of mobile home parks.

2. Management Rights. Management shall have all of the rights set forth in the Maine Mobile Home Park Law (10 MRS Chapter 953), as well as all rights set forth in these Rules, and all other rights and abilities that are reasonably necessary to carry out Management’s responsibilities, or that are reasonably necessary to enforce these Rules or to promote the peace and safety of the residents of the Park. Without limitation of the foregoing, Management reserves the right to inspect any lot or the exterior of any home in the Park at all reasonable hours.

3. Services Provided by Management. Roads will be plowed and treated by Management as may be necessary, subject to weather conditions and other matters outside the reasonable control of Management. Management is responsible for the reasonable and necessary removal or alteration of bushes or trees on each lot, and will have the right to enter on any lot and perform work related to those activities, at all reasonable times. Tenants must not trim or cut limbs from any tree or bush without first obtaining specific written permission from Management.

4. Use of Amenities. Tenants are eligible to use the recreation hall, storage compound, and children’s playgrounds located in the Park on a first-come first-served basis.

5. Liability and Indemnity. Neither Management nor the Park owner or its agents is responsible for fire, theft, or damage in any manner to any home, vehicle, or other property of any resident or visitor of the Park, nor for any injuries to, or death of, any persons, it being fully understood that each tenant uses and occupies all Park property at his or her own risk; provided, however, that this provision shall not be

interpreted or construed so as to absolve the Park owner or Management from liability for their own negligence or that of their agents.

Each tenant shall indemnify, defend (with counsel acceptable to Management) and hold harmless the Park owner and its agents from and against all claims, debts, actions, accounts due, sums of money, loss, cost, expense, covenants, contracts, controversies, damages, liabilities, executions, reckonings, bonds, specialties, indemnities, agreements, acts, omissions, demands, suits, judgments, rights and causes of action of whatever kind or nature, caused in whole or in part by, arising out of, or attributable to any matter for which the tenant is responsible under these Rules, including specifically in the foregoing, but not by way of limitation, all damage to property and injury or death of persons caused by the tenant or the tenant's children, family members, visitors, guests, invitees and other cohabitants.

6. Insurance Coverage. The Park carries standard property insurance. The Park's insurance policy does not cover loss or damage to the property of the Park's residents, or injury or death to any persons, in situations where the damage as a result from the resident's own negligence, failure to adhere to the Rules and Regulations, or any condition that is within the control of the resident. All residents must carry homeowner's insurance with Personal Liability. Residents must advise the office when changing insurance carriers, or renewing their policy. Insurance information must be updated, RE: expiration dates on policy.

B. PARK RULES & ENFORCEMENT.

1. In General. These Rules were developed to promote the health, safety and welfare of all tenants, their household members, guests, and invitees. Your cooperation in observing these Rules will help to assure all residents equal enjoyment of their homes and the entire community. The Park endeavors to enforce these Rules in a fair and consistent way. Any failure of a tenant to observe and comply with any of these Rules will be considered unacceptable behavior, and a serious violation of the conditions of tenancy, which may subject the tenant to eviction from the Park.

2. Waivers. Management strives to enforce all of these Rules in an evenhanded way that applies equally to all residents. When special circumstances require, Management shall have the right to waive any of these Rules with respect to any one or more residents, to prevent injustice or to take due account of any special considerations. Waivers must be in writing to be effective, and signed by a representative of Management. Any waiver of one requirement shall not be deemed a waiver of any other requirement or Rule, nor shall a waiver for the benefit of any particular resident be deemed a waiver for the benefit of any other resident or individual.

3. Violations and Fines. Any tenant who has committed, or is responsible for, any violation of these Rules will receive at least one written violation notice, which will be served by Management. Any continuing violation of a provision of these Rules must be corrected within the time specified in the notice. The tenant will be fined for Rules violations in accordance with the fines listed on the Park Rate Schedule. All fines are due and payable with the monthly rent on the first day of the month after the charge was made.

4. Termination of Tenancy. Any tenancy in the Park may be terminated for any of the reasons set forth in 10 MRS §9097 (1), as it may be amended, or set forth in any successor provision, by Notice of Termination (which may also be called an Eviction Notice, or other words of similar meaning) delivered by Management to the tenant. Without limiting the right to terminate tenancies for any of those reasons, each tenant's attention is specifically directed to the following reasons, any one or more of which may result in eviction:

- (a) Nonpayment of rent or other amounts when due;
- (b) Failure to correct in a timely fashion any continuing violation of these Rules after notice;

- (c) Receipt of any three (3) violation or nonpayment notices in any 12-month period, even if timely corrected; and
- (d) Repeated conduct that disturbs the peace and quiet or safety of other tenants.

Management prefers to avoid evictions whenever reasonably possible. However, Management also intends to maintain the Park as a safe, attractive and healthy environment for all tenants, and will evict tenants when necessary. All tenants are encouraged to pay their rent and other charges on time, and to be sure to observe all Park Rules, and to make sure that those for whom they are responsible (Children, other family members, guests and invitees, etc.) also observe all of these Rules.

Tenants are subject to eviction not only for their own actions and behavior, but also for the actions and behavior of others for whom they are responsible under these Rules and/or state law. Once an eviction has been served for nonpayment of rent, the tenant will not only have to pay all amounts then owed to the Park, but will also have to pay a fee of five percent (5%) of the then outstanding rent, in order to reinstate the tenancy. See 10 MRS §9097(1)(A).

C. ENTRANCE INTO THE PARK.

1. Tenancy Application: Need for Approval Prior to Admission. All prospective tenants in the Park are required to complete a Tenancy Application, pay the application fee, and meet selection criteria, which include but are not limited to a credit report, a brief interview, verification of employment and reference checks with former landlords and others, all of which must be satisfactory to Management, in its sole discretion. Management will be responsible to review and act on tenancy applications, and may approve or deny any application. Tenancy applications must be approved by Management before any tenant moves into the Park. If the tenancy application is not approved, the prospective tenant shall not move into the Park. Management reserves the right to approve or refuse the tenancy of any prospective purchaser of a home located in the Park.

2. Approval; Conditions of Assuming Tenancy; Entrance Fee. When Management approves a tenancy application, the tenant will be provided with a copy of these Rules and of the Maine Mobile Home Park Law (10 MRS. §9091 *et seq.*, also called chapter 953 of Title 10). As conditions of beginning tenancy in the Park, the tenant must:

- (a) pay a non-refundable, one-time entrance fee, in the amount shown on the then current Park Rate Schedule, and
- (b) sign a receipt acknowledging that the tenant has received a copy of these Rules and of the Maine Mobile Home Park Law, and agreeing to comply with all current rules and regulations, as they may subsequently be amended, and
- (c) complete and sign the Park's Ownership Information Sheet, which will include the names of all residents in the home, a description of the home, vehicle identification, emergency contact information, mortgagee information, and any other information that Management may deem appropriate.

Entrance fee and first months rent must be paid prior to move in date. Each tenant must notify Management within 15 days after any information on the ownership information sheet changes.

3. Purchase of Mobile Home. Each approved tenant buyer is responsible that the set-up and installation of the purchased mobile home on the lot, and its heating fuel tank(s) is in accordance with all applicable state statutes and regulations and any applicable local codes and ordinances. Detailed set-up standards are available from Management upon the tenant's request.

Any improvements which the tenant needs or desires to make to the home (for instance, new or expanded slabs/pad, pier column refurbishment, skirting, upgraded electrical service, water service, lawns, walkway or driveway) will be completed in accordance with the requirements of Section J of these Rules, and all at the tenant's expense.

To any extent that Management performs or contracts for any work or materials in connection with the installation of any such improvements that will benefit the tenant, all costs incurred by Management in connection with that work must be reimbursed by the tenant on or before the tenant's move-in date.

4. Subletting Prohibited. Tenants are not permitted to sublet, rent or sublease the rented lot, or any part thereof, or all or any part of any home on the lot. Lots are not transferable, and no lot or home in the Park shall be sublet, rented, leased, or occupied by others unless the new occupant is approved for entrance into the Park as a tenant, and purchases the home, and the tenancy is transferred to the new occupant, all in accordance with all requirements of these Rules. The boarding of individuals and the renting of rooms are not permitted.

D. RENT AND OTHER CHARGES; PAYMENT.

1. Rent. The monthly lot rental amount for each lot in the Park is listed on the Park Rate Schedule which may be revised or updated from time to time at Management's discretion. All rent payments are due in advance, on the first day of each month.

Tenants are not permitted to deduct or set off any amounts that they may claim are owed to them by the Park, from their monthly rent payments. The date when Park Management actually receives the payment will determine when it was received for purposes of these Rules; please note that the postmark on the envelope will not be taken into consideration as to whether or not the payment is made on time. Any postdated checks will be deemed received on the later of the date of actual receipt, or the date of the check, and not before.

Rent payments are to be made to the Management's designated representative as listed on the Park Rate Schedule. If any rent payment is not received by the fifteenth day of the month, the tenant will be subject to a late payment penalty of four percent (4%) of the monthly rent, payable immediately.

This provision, and the corresponding provisions of the Park Rate Schedule, are intended to satisfy the requirement of 14 MRS §6028 that a tenant be notified at the time of entering into a rental agreement that a penalty of up to 4% of one month's rent may be charged for the late payment of rent.

2. Other Charges. Tenants are also responsible to pay any legal fees incurred by the Park related to any eviction proceedings brought against the tenant. .

3. Returned Checks. Any checks returned for insufficient funds (NSF) or otherwise will result in a service charge to the tenant, in the amount set forth on the Park Rate Schedule. If any tenant submits three (3) or more checks that are returned for insufficient funds, and also at any time after a Notice of Termination has been served under B4, above, Management reserves the right to require all payments to be in the form of a money order, cashier's check, or other bank check.

4. Failure to Pay. If rent or any other charges due are not received by the fifteenth day of the month, the tenant is subject to a late fee, and to receiving a 30-Day Notice of Eviction.

5. Taxes. Tenants are responsible for paying all municipal and other taxes on their homes and personal property on a timely basis.

E. OCCUPANCY.

Reviewed: _____ Manager/ _____ Tenant

1. Owner Occupancy; Number of Occupants. All homes must be owner occupied. No more than two (2) persons per bedroom are permitted to occupy any home in the Park. Only one family unit as listed on the Rental Application, or subsequent Ownership Information Sheet, may occupy any home in the Park. Any individuals not listed on either of these forms will be considered visitors in the Park.

2. Additional Occupants. Any additions to the household, including any visitors who stay in a home for longer than the periods permitted under Section E4 below, must be registered with Management.

3. Death of a Tenant. In the case where a tenant dies, if there is a co-tenant the co-tenant will automatically become the tenant for the lot. If there is no co-tenant, the estate of the deceased tenant is the tenant. In either case, any pre-existing defaults by the tenant will continue as though there had been no change in tenancy. Any transfer of the home to the heirs of the deceased tenant, or to anyone else, is subject to all of the restrictions and requirements of these Rules, including but not limited to all of the provisions of Section O, below. If the rent is not paid following the death of a tenant, or in the event of any other violations of these Rules, the estate or co-tenant is subject to eviction in the same way as the original tenant.

4. Visitors. Overnight visitors are permitted on a temporary basis, except as stated below. Visitors may remain as overnight guests in any home for a period of time not to exceed either two consecutive weeks, or 60 days in any three-month period, without registering as an additional occupant of the home.

No tenant may have as an overnight visitor any person who has been evicted from the Park based on violations of these Rules other than nonpayment (in other words, any person who has been evicted for improper behavior in the Park is not permitted as an overnight visitor in the Park), and no tenant may allow any person who has been evicted from the Park for any reason within the past 12 months to remain in the tenant's home as a guest, visitor or otherwise for more than 3 consecutive days, or for more than 30 total days in any 6-month period. Visitors who have been issued a No Trespass order are not permitted to be on any Park property at any time.

All visitors must comply with all of these Rules as they relate to behavior and activities in the Park. All tenants are responsible for any damage within the Park caused or contributed to by, and for the behavior and actions of, their visitors, family members (including children) and cohabiters. Any tenant may be subject to eviction based on the actions of his or her visitors, family members (including children) or cohabiters.

5. Restrictions on Visitors. Tenants are responsible to ensure that no one is permitted on their lot (including in the home) when the tenant is away overnight or longer, except for service persons providing a service to the home, without written permission from the tenant. Management reserves the right, in its sole discretion, to restrict the number of visitors at a particular time or to require the immediate removal of any visitor or additional occupant who has failed to comply with these Rules.

Tenants shall not permit their children to enter into any utility buildings kept by Management or into any other areas designated by Management as prohibited, whether for safety reasons, or otherwise. All tenants will be held responsible for any damage and injuries caused by their children, and for any violations of these Rules by their children. Tenants are responsible for all actions of their pets and of any visiting animals, and are financially liable for any damages caused to property of the Park or of any neighbors, and for any personal injuries, including death, caused by their pets or any other visiting animals. Pets are not permitted to disturb the rights, comfort, peace, safety or conveniences of other residents of, or visitors to, the Park. Undue noise,

aggressive behavior, digging or other behavior by any pet or other animal that violates any of these Rules is grounds for a violation notice to the tenant.

2. Types and Registration of Animals. No wild animals or farm animals are permitted to be kept in the Park, whether as pets or otherwise. Fish, birds and domesticated constantly caged small (under 4 pounds) indoor animals, not including any venomous or otherwise dangerous animals, are permitted without registering with Management. Except as hereinafter provided, dogs and cats may be permitted in the Park, but must first be approved by and registered with Management.

For any permitted pet that is determined to be a safety threat, or on the receipt of any three or more violation notices regarding any permitted pet, the Park will require the immediate removal of the pet from the Park. Failure to comply with a removal order or violation notice regarding an animal will subject the tenant to eviction from the Park.

I. HOME OCCUPATIONS AND BUSINESSES PROHIBITED.

1. Prohibition. Except as specifically permitted below with respect to yard sales, no home occupations or businesses (including day care of children) shall be conducted in the Park at any time. Yard sales, lawn sales and the like are prohibited, except in those limited circumstances where written Management approval has been received for a community, Park-wide event. J. CONDITION OF HOMES IN THE PARK.

1. General. This section of the Rules is designed to ensure the safety of all residents in the Park, as well as to ensure the general aesthetic appearance of the Park, which can affect the present and future value of each home and of the Park as a whole. The safety and condition of your home is important to you and your family, and it is also important to your neighbors.

The following Rules setting standards for homes in the Park are applicable at all times with respect to all homes. These Rules may be invoked and enforced at any time. All homes are subject to enforcement of these Rules whenever Management has reason to believe that an unsafe condition or a deviation from these standards may exist. Management may inspect any and all homes and lots from time to time to confirm compliance with these Rules.

In order to ensure that homes have been maintained in a safe condition and that any additions and alterations are safe for human habitation, the tenant must certify to Management that the home and any additions or alterations meet these standards. Tenants who own homes that fail to meet the standards contained herein will be given a reasonable opportunity to correct any deficiencies, in order to meet these standards. If the home is not brought up to these standards, Management may require that the home be removed from the Park.

Management may allow a home to remain in the Park after it is sold, only if it meets the standards for safety and construction set forth below.

Management takes no responsibility for the safety of any home or of its occupants. Neither Management nor the Park owner shall have any liability or responsibility for any loss, cost, expense, damage, injury, or loss of life or limb, or for any other amounts, caused by any home in the Park not meeting the standards set forth in these Rules.

Neither Management nor the Park owner makes any representation or certification that any home in the Park meets or will meet the required standards. If any tenant feels that there is any home in the Park that does not meet these standards, you are encouraged to notify both Management and the owner of the home in question, in writing, so that the situation can be addressed.

2. Care of Tenants' Property.

All tenants and other residents are responsible for their own property, whether located on their own lot or elsewhere in the Park. Management assumes and shall have no responsibility for lost, stolen or damaged property of any tenant, resident, guest, or invitee. Any damage caused to any property or equipment in the Park by any tenant or any tenant's household members, guests, invitees or children, will be the financial responsibility of the tenant to correct, regardless whether such damage was caused negligently, intentionally, inadvertently, or otherwise. The damages shall be measured by the restoration or replacement cost to correct the same, in Management's discretion. These damages shall be due and payable ten (10) days after Management has provided a written demand for payment.

Any additions or alterations to the original factory installed plumbing systems must be of durable material, free from defective workmanship and materials, and designed and constructed to perform satisfactorily with a reasonable life expectancy.
- b. All of the component parts of the heating system, and especially the stack, tank-to-burner connections, flue, chimney and heat compartments, must be fully and safely operable. Any additions or alterations to the original factory-installed heating systems must be of durable material and free from defective workmanship and materials. All fixtures must be safe and suitable for the purpose for which they are used. The service entrance must be adequate for the electrical load imposed by the manufactured home and any additions, given its number of occupants and the type and number of electrical appliances.
- d. Management, in its sole discretion, may require the tenant or occupant of any home from time to time to obtain written certification from one or more appropriately licensed trades persons that the plumbing, heating and electrical systems of the home are safe and fully operable, and meet or exceed all applicable state and local standards, if there is any reason to believe that any of those systems may not be in compliance with the requirements of this paragraph 65 of these Rules.

7. Smoke Detectors. Each home in the Park must have at least one (1) smoke detector installed on or near the ceiling areas within or giving access to each bedroom. The make and model of each smoke detector must be one which has been approved by the State Fire Marshall and is UL (Underwriters Laboratory) listed. Tenants are encouraged to install and maintain smoke detectors that are wired directly into the home’s electrical system, as a safety measure. All homes entering the Park are required to have

smoke detectors that are directly wired into the home's electrical system, in compliance with all electrical and other applicable codes and ordinances.

8. Anchoring System. Anchoring systems are encouraged but not required for homes in the Park generally. Any home that is occupied by persons other than the owner (which occupancy is generally prohibited, and can only occur with the prior written consent of Management), in accordance with the Maine Manufactured Housing Board Standards, must be securely anchored to the ground using an anchoring system properly designed and constructed to resist sliding and overturning of the home, and must also be approved by Management and be in compliance with all applicable laws, regulations and ordinances.

9. Skirting Required. Skirting is required around all homes and must be fully installed within thirty (30) days of entry of each home into the Park. The hitch must be removed from the home before it is skirted. Skirting must not show any deterioration and must fully enclose the area between the home and ground. L. UTILITIES.

1. Water and Sewer Service. Each tenant is responsible to keep in good condition and repair at the tenant's own expense, all water and sewer lines and fixtures in and under the home, up to the point where they connect to the service lines in the ground level well provided by the Park. The cost of correcting any clogged drains or other sewer problems that are due to any actions of the tenant, or that are due to any actions of others for whose actions the tenant is responsible, will be charged to the tenant. Each lot shall have a single tank, which must be designed for use as a home heating fuel tank. Converting 55-gallon drums or any other items not originally intended for the purpose is prohibited. Each tenant is responsible for the proper maintenance and care of his or her fuel tank, at the tenant's expense. Driving on Park property under the influence of alcohol or other drugs will not be tolerated. In any case of speeding, driving under the influence or other unsafe driving behavior, by any tenant, or by the tenant's household members, children, guests or invitees, the tenant will be subject to a violation notice, immediate restriction or prohibition of keeping or operating any vehicle in the Park, and will be fined in accordance with the fines as set forth in the Park Rate Schedule. Any vehicle parked overnight in an unauthorized place is subject to being towed away at the owner's risk and expense, without prior notice. Vehicles shall not be parked on the grass. Any improvements which the tenant needs or desires to accommodate the new home (for instance, new or expanded slabs/pad, upgraded electrical service, water service, lawns, walkway or driveway) will be completed in accordance with the requirements of Section M of these Rules, and all at the tenant's expense. To any extent that Management performs or contracts for any work or materials in connection with the installation of any such improvements that will benefit the tenant, all costs incurred by Management in connection with that work must be reimbursed by the tenant on or before the new home's move-in date.
